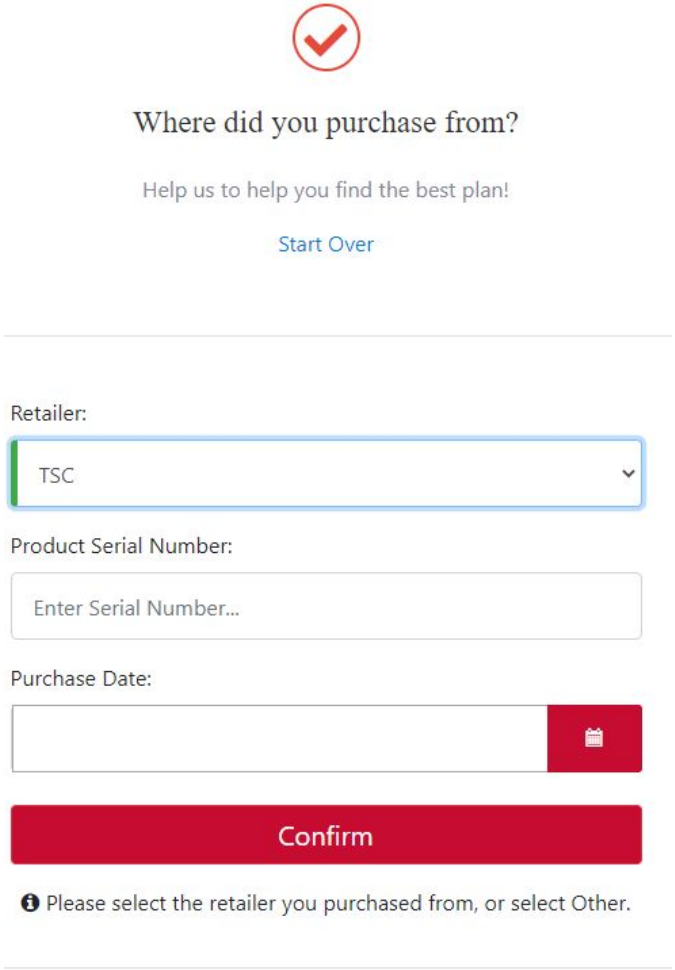
Looking for FitNation Products?

Confirm

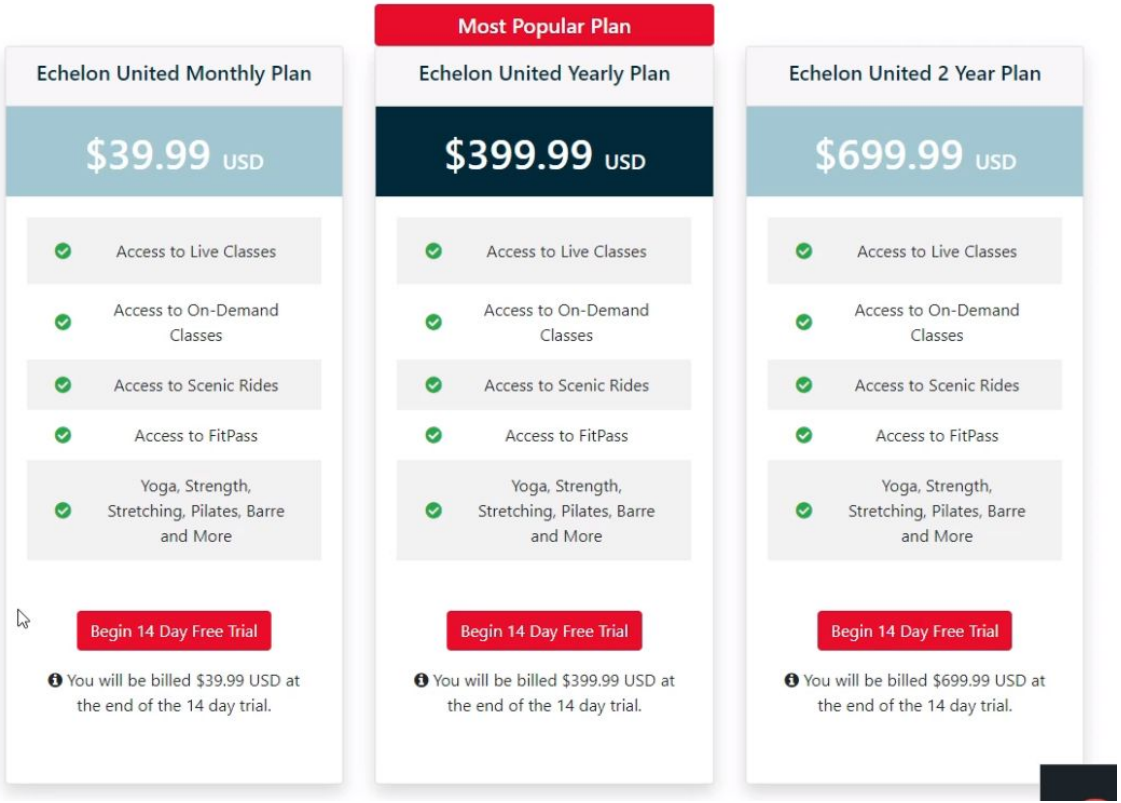
Please select your brand and please select your product.

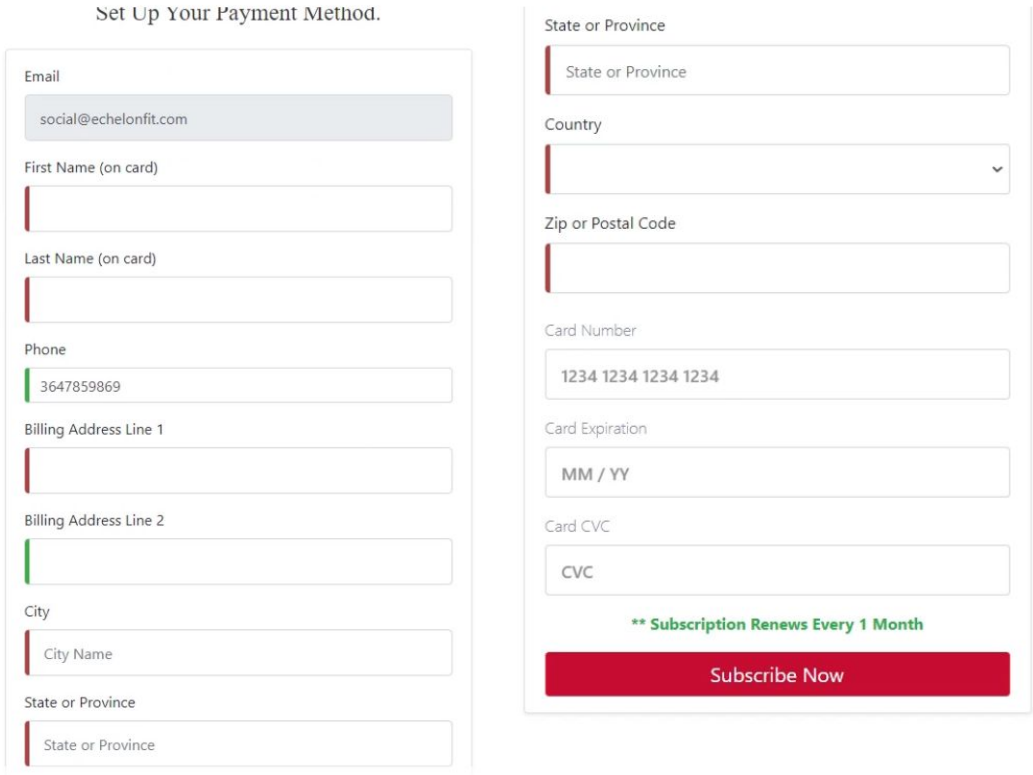
7. Choose Country as Canada
8. Enter valid phone number
9. Choose equipment as “Connect Bike”
10. Click Confirm



11. Choose Retailer as TSC
12. Enter bike serial number (found on back of display)
13. Choose purchase date as the current calendar day - this is the starting point for the free trial or 1 year membership
14. Click confirm

15. Choose a plan that will begin once the one year membership has expired. This plan will automatically be charged once the one year membership has expired. Note: red “begin” box will read “Begin 1 Year Free Trial”





16. Enter CC information for the auto-renewal
17. Click “Subscribe Now”

NOTE: CC will not be charged until the one year subscription has expired. Customer can cancel prior to the renewal and CC will not be charged. If membership is not cancelled, CC will be charged according to the plan they chose on the previous page (Monthly, Yearly, 2 Year)

18. Once completed, download the Echelon Fitness App from the app store and sign in with the email and password chosen during set up. The app will walk the customer through choosing their equipment and syncing it to the app.
